

Steps to enroll to NPTEL Courses

Step 1 – Go to url – <https://swayam.gov.in/>

Step 2 – Click on Sign in / Register tab

Step 3 – Login using any of option mentioned here

The screenshot shows the top navigation bar of the Swayam website, including logos for MHRD (Government of India) and AICTE (All India Council for Technical Education). Below the navigation bar, there is a 'Login:' section with the instruction 'Login Into SWAYAM using Facebook, Google, Microsoft or SWAYAM account.' On the left, there are three buttons for social media login: Microsoft Account, Google, and Facebook. In the center, there is a vertical line with 'OR' written on it. On the right, there is a form with two input fields: 'Username' and 'Password'. Below the 'Password' field is a 'Sign In' button. Underneath the 'Sign In' button, there is a link 'Forgot your password?' and another 'OR' separator. At the bottom of the login section, there is a link 'Don't have an account? Sign up now'.

Step 4 – If you have a Google enabled email id, you can login through Google option. If you wish to login through your company email id / non Google enabled email id then you have to create your own login. Click on 'Sign up now', create your own username password, and provide your email id there.

Henceforth, you will be able to login through this username and password.

The screenshot shows the registration form on the Swayam website. It includes the same top navigation bar as the previous screenshot. The registration form consists of four input fields: 'Username', 'New Password', 'Confirm New Password', and 'Email Address'. Below the 'Email Address' field is a blue button labeled 'Send verification code'. At the bottom of the form, there are two buttons: 'CREATE' (grey) and 'CANCEL' (orange).

You can also convert your non Google enabled email id to a Google enabled email id.

For creating a Google enabled email id, go to 'Create your Google Account' page. When you create a Google Account, they will ask for some personal info. Here you can find 'Use my current email address instead' tab. You can provide any email id, which you wish to convert to a google enabled email id. By following the mentioned steps, your existing email id will be changed to google enabled email id.
