

Assignment 24

Using those relation markers from the list shown in this session which did not appear in the list of phrases shown in the previous session, construct another such list of around 50 phrases. Out of this combined collection of some one hundred phrases, use 40-50 in 20 sentences of your own, preferably using verbs from the current list that appeared in the previous session.

[It is not *necessary* for these 20 sentences to have any continuity in terms of their meaning or message.]
