INTENDED AUDIENCE: UG and PG students of science, engineering, management, social sciences, Working professionals, Researchers and Teachers in Yoga

INDUSTRY SUPPORT: There are many business organizations which promote Yoga and Positive psychology for the enhancing wellbeing of their employees. Employees and Managers of L&OD functions of the corporates will value this course.

COURSE OUTLINE:

Management is commonly understood as getting maximum returns from the available resources to achieve valued objectives. Management involves managing money, material, machine and men. While first three factors can be managed in objective manner when it comes to managing 'men' it is essentially managing 'minds'. To manage or lead minds of others a manager needs to manage his or her own mind. Managing mind which can also be termed as managing 'self' requires systematic reflection on 'self'. The course is weaved around the methods of strengthening of physical, emotional, intellectual aspects of 'self' based on the principles and practices of Yoga and Positive Psychology.
